# Terms and conditions

## Equipment:

## Risks:

Customer understands that interactive entertainment activities (such as inflatables) may pose known and unexpected risks to its users. These risks include, but are not limited to, slipping, falling and colliding with objects or people.

## Limitation of Liability:

During the rental period, the Insuflalgarve monitor is responsible for ensuring that the safety rules and the use of the equipment are complied with.

It is the responsibility of the client to be the behavior of all people who use the material.

In the absence of a monitor and in case of damage to the inflatable it is the responsibility of the customer to pay the amount necessary to cover the damage caused.

## Rules of use:

The consumption of food or beverages inside the inflatable is not allowed;

It is not allowed to stay any type of animal inside the inflatable.

The consumption of food or drinks inside the inflatable is not allowed.

It is not allowed to use sharp objects (keys, earrings, glasses, etc.);

It is not allowed to use any type of footwear, being obligatory the use of socks;

There should always be a responsible adult to monitor the operation of the inflatable and the children;

Insuflalgarve is not responsible for any damage or accident that occurred during the program or activity, which is not covered by insurance mandatory by law;

I became aware of the rules
